### ABOUT ALL STAR CHEERLEADING:

All Star Cheerleading focuses on performing and competing. We do not cheer for any organized sport such as football, basketball, etc. At TNT our season starts in May and runs to April. Our squads spend several months training and putting together a professionally choreographed routine including dance, tumbling, cheer, jumps and stunting. Our teams compete at local and national competitions. Above all, our athletes are here to have fun and continue learning a sport they enjoy in a safe environment.
